

Petit Bouquet

To Paul and Ann with thanks.

Janis Kalnins
(July, 1991)

Kalnins dedicated and gifted the original manuscript to Paul and Ann Horncastle in gratitude for their support and friendship after his wife Heminé died in early 1991. He was a frequent visitor to their house and often stayed for hours playing and improvising on their piano. On his visits he always brought a little bouquet of cut flowers. On this occasion the little bouquet was not flowers but music.
